

HELLO JUNE SALES AND MARKETING

Branding Bundle

TOOLS FOR AN ELEVATED DIGITAL BRAND
IDENTITY & SOCIAL MEDIA STRATEGY

Curated social media tools rooted in results

EVERYTHING YOU NEED TO KNOW

Social media marketing can be hard to keep up with, but that's where we come in. Our content bundles are curated with care to help small business owners leverage their social media presence and as a result create brand awareness and drive additional revenue.

01 UNIQUELY TAILORED TO YOU

No two businesses are the same, and social media marketing is not one size fits all. Hello June will take the time to get to know you & your business to carefully curate a package that suits your personal marketing goals.

02 LONGEVITY & VERSATILITY

The Content Bundle is a package of versatile custom visual content for you to share & repurpose as needed. No need to share your passwords or hand over your accounts. We simply give you the tools you need for success.

03 YOU'RE IN GOOD HANDS

Hello June is a team of marketing professionals with experience across a variety of industries, from food and beverage to real estate and consumer packaged goods. We are experts at curating a social media strategy rooted in results.

But don't just take our word for it...

PROVEN RESULTS THROUGH IMPACTFUL STRATEGY

See what some of our previous clients have said about our digital branding, social media marketing, and content creation services.

"Our overall engagement and team branding has improved drastically, but Hello June's value goes far beyond their social media savvy - their team is constantly bringing new, forward thinking ideas to the table!"

—Lit Soy Candles

"The endless creative content takes such a weight off my shoulders as a business owner - this is an area I always struggled with, and it's so freeing to have someone excel with this area of our business."

—Fresh in Your Fridge
